Dear Bob,

Bergstrom's memo is inaccurate with respect to my statement to Brooks Thomas that if the IRS Criminal Division were involved then the delay would be justified. I never made such a statement.

I hope this is helpful.

Dear Dick:

[REDACTED]

There's a couple of matters I'm hoping you can help us with. Attached hereto please find two documents:

1. A copy of your email to Attorney Marianne Boston dated July 18 (you reviewed this email during our meeting at your D.C. offices); and
2. A copy of an MOI authored by IRS SA Bergstrom, purporting to memorialize the same telephone conversation you're discussing with Ms. Boston in your email of July 18th. (This MOI was undisclosed to the defense in pre-trial discovery, but was recently disclosed by DOJ Counsel in the FOIA litigation).

[REDACTED]

Would you please review and comment on this?

[REDACTED]

I sincerely thank you for your time on this, and
